Working with the school to benefit 'our' children

SCOFF — our purpose

SCOFF is an active parents group that works closely with the school. Throughout the year the committee organizes social events including; quiz nights, craft fairs, a summer family barbeque, a barn dance and other fund raising activities. The committee also acts as a forum for discussing issues relating to the school. SCOFF meet once a term and all parents are invited to join and will be made to feel very welcome. It's a great way of involving yourself in the school and you might even enjoy it!
