<b>Year 7 Catch Up Statement</b>
<p>The Government has made a commitment to provide additional funding to schools for each Year 7 pupil who did not achieve at least level 4 in the Key Stage 2 national curriculum tests in reading and/or mathematics. The purpose of this funding is to enable schools to deliver additional support, such as individual tuition or intensive support in small groups, for those pupils that most need it.</p> <p>Funding received by the School will be allocated to enable us to provide identified pupils with additional support in literacy and/or mathematics. This support will be delivered by qualified specialist teachers and progress will be monitored each term.</p>

## **Review of Expenditure and Impact – 2016/2017**

<b>Staffing</b> Targeted small group teaching, literacy + numeracy intervention.	<b>80%</b>
<b>Additional Resource</b> G L Assessment Accelerated Reader	<b>20%</b>

Eighteen pupils received additional literacy and/or numeracy lessons led by specialist teachers, the HLTAs for English and Maths and the Learning and Progress Tutor. We organise learners into small groups and support them with additional support staff in one of the following ways:

- individual tuition
- intensive small-group tuition
