Ilminster

9th January 2018

Dear Parents,

'SPELL IN'

Our last 'Spell-In' in 2015 was very successful - £1000 was raised. This money goes towards the purchase of additional resources for the English department and library.

Pupils will have four weeks to learn the appropriate thirty words (overleaf) and obtain sponsorship at so many pence per word. The pupils will then be tested on these words on Tuesday 30th January 2018.

We are anticipating a really successful educational fund raising effort and hope that parents will provide their usual valuable support.

Yours sincerely,

Charlotte Kirk
Associate Senior Teacher
